

Salute to Woodstock era acoustic / electric music
MAX YASGUR'S FARM

“Woodstock Revival Collective” with a focus on multi part vocal harmony and the driving acoustic guitar work of bands like Crosby Stills & Nash, America, The Beatles, ...

max Yasgur's Farm brings it all back in high-energy acoustic style. The music is lovingly reproduced with incredible vocal harmonies and respect for the style of the band portrayed.

SEASON GREETINGS

All of us with *max Yasgur's Farm* wish and pray for a safe, fulfilling and delightful Holiday season for you and your loved ones.

We have been very blessed this year meeting new clients and fans. Of course, we are so thankful for the venues who kept us employed during the slower seasons of the year.

The Musicians who have departed and those who have recently associated with us have humbled us with their graciousness and talent. Thanks guys, you Rock!

We will be spending the month enjoying our families, performing a few shows and recording our first CD.

The core of Yasgur's Farm—Doug, Bene' and Sarah will be performing at Anchors and Spiros as *Doug Robertson and Company*. A Private party will close out our planned performances.
